

Search 2 – Search Condition/Notification

The following preconditions must be met:

1. Successful log into MOHSAIC TB Disease application.
2. Select Person Tab

Business Rules:

1. Available diseases in dropdown are based on role (TB Roels have TB Disease, TB Infection, MOTT, CD Roles have other diseases such as Animal Bites, Hepatitis, Shigellosis, etc.)
2. This search returns only parties that have a condition.
